# **MDM 2018 Panel: The Monetary Case for a Job Guarantee**

Significant evidence suggests that employment leads rather than trails economic growth. That conclusion supports programmatic initiatives to create jobs directly in the public sector. At issue here are models that identify sovereign money as a public commitment that anticipates – and enables – productivity rather than expending a finite resource.

### **Roundtable**

**Pavlina Tcherneva** -Levy Economics Institute

**Philip Harvey** – Rutgers Law School

**Rohan Grey** – Cornell Law School

**Darrick Hamilton** – The New School for Social Research

**Moderator: Daniel Sufranski**
